

## The Student Organization Administration & Review Committee

---

### SOAR Reevaluation Authorization Form

Any recognized student organization may request that the Administration & Review Committee's reevaluate their SOAR within seven (7) days of receiving their original evaluation. Reevaluation requests will only be granted in the case that a student organization has identified a procedural and/or administrative error they believe has affected their SOAR evaluation. Submission of the reconsideration form does not guarantee that an organization's SOAR will be reevaluated.

To be eligible to request a reevaluation, a student organization must:

1. Meet with their student analyst and receive their signature,
2. Meet with their primary advisor and receive their signature, and
3. Submit this form by the deadline.

Please print this document and bring it with you when meeting with your analyst and advisor. Signatures of the analyst and advisor must be obtained here and uploaded with the reconsideration form.
