SUBJECT: Walk for Dark

Ms DeWitt,

On behalf of University Facilities and Services I would like to thank you and the volunteers involved in the Walk for Dark program. I often reference this document to gain better insight on the activities on the River Campus outside of standard business hours. I look forward to working with you and other student groups in the future. Sustainability is a common goal, River Campus Facilities has and always will strive to create a more energy efficient University through all means possible.

Sincerely,

Eris V. Oleksyn
