

ALL-CAMPUS JUDICIAL COUNCIL  
UNIVERSITY OF ROCHESTER STUDENTS' ASSOCIATION

Injunction Denied

The Council denies the request for an injunction to prevent the Black Student Union's airing of Louis Farrakhan's on Sunday, February 27, 2005. The Council does not find significant enough constitutional or bylaw violations in this instance and as presented by the petitioner, Erin Fraser, to warrant an injunction of the event.

(General Background: Erin Fraser petitioned the Council to prevent the Black Student Union's airing of a Louis Farrakhan speech questioning the use of SA funds to support this event.)
