THE CURRENT UNIVERSITY POLICY ON FOOD TRUCKS

RESOLUTION 1
October 20th, 2014

Submitted by: Antoinette Esce, Students' Association President
Ethan Bidna, Class of 2016 Senator

WHEREAS, food trucks have been growing in popularity with the student body; and

WHEREAS, they fill a niche in campus dining, through location, timing, and offerings, that is not provided consistently by on-campus vendors; and

WHEREAS, the presence of food trucks on campus was disallowed over the summer by a committee void of a student voice, save for large scale community weekends when sponsored by University departments; and

WHEREAS, the collaboration with local food trucks benefits our campus as well as the local community and sets a good example of community engagement;

NOW, THEREFORE, BE IT RESOLVED that the Students' Association Senate urges the relevant parties to amend the current University policy on food trucks and directs President Esce to advocate for student group interests on behalf of the Students' Association in all future conversations.
