RESOLUTION 12
December 8th 2014

Sponsor: Stephen Wegman, Class of 2017 Senator, Academics Committee Chair
Erinmarie Byrnes, Academics Committee Deputy Chair

Whereas, Students' Association members are passionate about extracurricular activities; and

Whereas, when paired with guided reflection and academic standards, extracurricular activities can be a means of learning: experiential learning; and

Whereas, there is currently no central location to govern and oversee experiential learning resources; and

Whereas, experiential learning opportunities would enhance student's experience at the University of Rochester by extending learning to outside of the classroom

Now, therefore be it resolved that, this senate agrees experiential learning initiatives are an important opportunity to pursue in benefit of the student body

Now, therefore be it further resolved that, this senate charges the Academics Committee to research and strategize about the best way to implement experiential learning initiatives on campus.
