WHEREAS the Music Interest Floor’s (MIF) practice room located on Wilder 10 is open to all students on campus to practice in; and,

WHEREAS many expensive items are housed in the practice room, including technical equipment, a piano, and a drum kit;

WHEREAS MIF has had issues of damaged equipment in the past, including shattered microphones and a snare drum; and,

WHEREAS currently, students may sign out a key to the practice room, which can be signed out at any time; and,

WHEREAS no one from the MIF can be physically present at all times from 8am to midnight to ensure the security of the practice room, and to check students in and out; and

WHEREAS under the current policy, it is hard for MIF to monitor those that enter and exit the room and make sure they sign in; and,

WHEREAS MIF has stated that since they cannot monitor the people that sign the key in and out, if something gets damaged or is stolen, they have unreliable records of who was in the room and therefore cannot identify those responsible; and,

1 Pictures of damaged equipment.
WHEREAS often times, students lock the key in the practice room, requiring a call to security to get the room unlocked; and,

WHEREAS MIF has noted that swipe access to their practice room would provide “a log of who went into the practice room and when,” which would make their logs more accurate and remove the risk of key loss; and,

WHEREAS this would also allow MIF to completely close the practice room when needed, such as during quiet hours or reading period;

NOW, THEREFORE, BE IT RESOLVED that the Students’ Association Government supports the implementation of swipe access to the practice room of the Music Interest Floor and access granting powers be given to MIF so that they can give access to people as necessary; and,

THEREFORE, BE IT FURTHER RESOLVED that the proper Executive Director shall report to the Campus Services Committee monthly on the progress of this implementation process.
