WHEREAS, the Students' Association Government has endorsed this company, formerly known as SuperSummerStorage, since November 3, 2013; and,

WHEREAS, the University of Rochester student body is primarily comprised of students from outside of the Rochester, New York metropolitan area that could benefit from storing their belongings over the summer; and,

WHEREAS, University of Rochester students currently enjoy a 10% "Students' Association" discount on business with 4.0 Storage; and,

WHEREAS, a benchmarking process between 4.0 Storage and many of its closest competitors indicated that 4.0 Storage's prices listed online are much lower than those of its competitors; and,

WHEREAS, representatives of 4.0 Storage have made it clear that they would offer University of Rochester students discounts for various criteria such as referring a friend, being a Residential Advisor, and storing along with your roommate,

THEREFORE, BE IT RESOLVED that the University of Rochester Students' Association Senate endorses the creation of a formal relationship between 4.0 Storage and the University of Rochester as a whole, a relationship to be renewed annually by the University of Rochester Students' Association Government contingent upon the stability of the relationship between the two entities; and,

THEREFORE, BE IT FURTHER RESOLVED that, once formalized, this relationship will be publicized by relevant departments of the University in addition to the existing publicity run by the Students' Association Government; and,
